Make a Matched Year-End Impact for Kids in Crisis This Giving Tuesday

As we move into the final weeks of the year, Kids Kottage Edmonton is calling on our community to help keep local children safe. **Beginning this Giving Tuesday and continuing through December 31, every donation you make will be matched up to \$10,000, doubling your impact for infants and children facing crisis situations.**

Thanks to the generous support of **Pembina Pipeline Corporation and an anonymous donor**, every matched gift provides vital care, safe shelter, nourishing meals, and meaningful support for families in crisis. You'll receive your tax receipt right away, and your generosity helps children feel secure and supported during their most vulnerable moments.

Make a Year-End Impact for Kids in Crisis

As the year comes to a close, Kids Kottage Edmonton is asking our community to help keep local children safe. Your year-end donation supports kids and families facing urgent crisis situations right here at home. Every gift provides safety, stability, and immediate support when families have nowhere else to turn.

Giving before December 31 also means you'll receive your **tax receipt** right away. Your contribution makes a real impact. Whether you donate today or plan your year-end giving, your generosity helps kids stay safe and families find the support they need. Thank you for making an impact when it matters most.

Every donated item becomes an ornament of kindness on our Digital Holiday Tree. Each time someone gives, we add a personalized ornament with their name, turning the tree into a beautiful symbol of community care and generosity.

Browse the Holiday Wish List and add items to your virtual cart. Your support helps provide urgent essentials like diapers, wipes, and clothing,
