

Edmonton's only crisis prevention shelter for infants & children.

Thanks to Hockey Helps the Homeless!

Huge shout out to everyone who helped make this amazing annual event a success - from our local Edmonton organizing committee, players and fans, to the volunteers, sponsors and donors.

\$370,000

This year over \$370,000 was raised for Kids Kottage Foundation and our partner charities - The Mustard Seed and Jasper Place Wellness Centre. We are so grateful to everyone involved and to Hockey Helps the Homeless national for their commitment to all those facing homelessness.

GO OILERS GO!!

Speaking of hockey... Kids Kottage is cheering loud for our Oilers every step of the way! Proud to stand with Edmonton on and off the ice.

Growing Together!

What a great opportunity to see our community work together to make this project happen. A big thank you to HMWS Manufacturing Ltd. for building the planter boxes and soil, Bev Facey High School for donating the beautiful flowers, and the incredible FINNING volunteers for getting their hands dirty to bring our garden to life!

Your generosity and teamwork are blooming proof that community care makes everything grow.

Investing in Our Team: Staff PD Day

On May 23, our team gathered for our annual Professional Development Day, a time to learn, reflect, and grow together.

Highlights included:

1. "Resilience at Work" strategies for working in crisis based and high trauma environments led by a registered psychologist
2. Creating a shared staff values framework led by our Executive Director
3. "Nature based and Loose Part Play" to incorporate into our work with children in our care facilitated by Ever Active Schools

It was a great day for everyone!

Charity Golf Tournament

Get ready to hit the greens for a great cause. The **HRD Designs & Attesa Homes Charity Golf Tournament** this September is supporting Kids Kottage Foundation. Register today to enjoy a full day of golf, food, games, and community spirit, all while helping children and families in crisis. Proceeds will help Kids Kottage provide vital care to children and families in need.
