

Edmonton's only crisis prevention shelter for infants & children.

Surrounded by Love – KKF 30th Anniversary Fundraiser

When children enter our care, they're often coming from a world filled with fear and hardship. Knowing they are valued, safe and not alone makes all the difference.

We've been busy lining the hallways of our children's shelter with colourful individual tiles. Using today's technology, we can affix each tile with a unique QR code that plays a message directly from you. Our Kottage kids will have access to tablets they can use whenever they are feeling sad or lonely, to use each tile's QR code to play your video message. Your contribution is more than just a donation, it's a personal connection that helps brighten a child's day, reminding them that they are not alone.
